General and complete disarmament: implementation of the Convention on the Prohibition of the Development, Production, Stockpiling and Use of Chemical Weapons and on Their Destruction

Poland: draft resolution

Implementation of the Convention on the Prohibition of the Development, Production, Stockpiling and Use of Chemical Weapons and on Their Destruction

The General Assembly,

Recalling its previous resolutions on the subject of chemical weapons, in particular resolution 63/48 of 2 December 2008, adopted without a vote, in which it noted with appreciation the ongoing work to achieve the objective and purpose of the Convention on the Prohibition of the Development, Production, Stockpiling and Use of Chemical Weapons and on Their Destruction,1

Determined to achieve the effective prohibition of the development, production, acquisition, transfer, stockpiling and use of chemical weapons and their destruction,

Noting with satisfaction that, since the adoption of resolution 63/48, three additional States have acceded to the Convention, bringing the total number of States parties to the Convention to one hundred and eighty-eight,

Reaffirming the importance of the outcome of the Second Special Session of the Conference of the States Parties to Review the Operation of the Chemical Weapons Convention (hereinafter “the Second Review Conference”), including the consensus final report,2 which addressed all aspects of the Convention and made important recommendations on its continued implementation,

Emphasizing that the Second Review Conference welcomed the fact that, twelve years after its entry into force, the Convention remains a unique multilateral

agreement banning an entire category of weapons of mass destruction in a
non-discriminatory and verifiable manner under strict and effective international
control,

1. Emphasizes that the universality of the Convention on the Prohibition of
   the Development, Production, Stockpiling and Use of Chemical Weapons and on
   Their Destruction is fundamental to the achievement of its objective and purpose,
   acknowledges progress made in the implementation of the action plan for the
   universality of the Convention, and calls upon all States that have not yet done so to
   become parties to the Convention without delay;

2. Underlines that implementation of the Convention makes a major
   contribution to international peace and security through the elimination of existing
   stockpiles of chemical weapons, the prohibition of the acquisition or use of
   chemical weapons, and provides for assistance and protection in the event of use, or
   threat of use, of chemical weapons and for international cooperation for peaceful
   purposes in the field of chemical activities;

3. Stresses the importance to the Convention that all possessors of chemical
   weapons, chemical weapons production facilities or chemical weapons development
   facilities, including previously declared possessor States, should be among the
   States parties to the Convention, and welcomes progress to that end;

4. Reaffirms the obligation of the States parties to the Convention to destroy
   chemical weapons and to destroy or convert chemical weapons production facilities
   within the time limits provided for by the Convention;

5. Stresses that the full and effective implementation of all provisions of the
   Convention, including those on national implementation (article VII) and assistance
   and protection (article X), constitutes an important contribution to the efforts of the
   United Nations in the global fight against terrorism in all its forms and
   manifestations;

6. Notes that the effective application of the verification system builds
   confidence in compliance with the Convention by States parties;

7. Stresses the importance of the Organization for the Prohibition of
   Chemical Weapons in verifying compliance with the provisions of the Convention
   as well as in promoting the timely and efficient accomplishment of all its objectives;

8. Urges all States parties to the Convention to meet in full and on time
   their obligations under the Convention and to support the Organization for the
   Prohibition of Chemical Weapons in its implementation activities;

9. Welcomes progress made in the national implementation of article VII
   obligations, commends the States parties and the Technical Secretariat for assisting
   other States parties, on request, with the implementation of the follow-up to the plan
   of action regarding article VII obligations, and urges States parties that have not
   fulfilled their obligations under article VII to do so without further delay, in
   accordance with their constitutional processes;

10. Emphasizes the continuing relevance and importance of the provisions of
    article X of the Convention, and welcomes the activities of the Organization for the
    Prohibition of Chemical Weapons in relation to assistance and protection against
    chemical weapons;
11. *Reaffirms* that the provisions of the Convention shall be implemented in a manner that avoids hampering the economic or technological development of States parties and international cooperation in the field of chemical activities for purposes not prohibited under the Convention, including the international exchange of scientific and technical information, and chemicals and equipment for the production, processing or use of chemicals for purposes not prohibited under the Convention;

12. *Emphasizes* the importance of article XI provisions relating to the economic and technological development of States parties, recalls that the full, effective and non-discriminatory implementation of those provisions contributes to universality, and also reaffirms the undertaking of the States parties to foster international cooperation for peaceful purposes in the field of chemical activities of the States parties and the importance of that cooperation and its contribution to the promotion of the Convention as a whole;

13. *Notes with appreciation* the ongoing work of the Organization for the Prohibition of Chemical Weapons to achieve the objective and purpose of the Convention, to ensure the full implementation of its provisions, including those for international verification of compliance with it, and to provide a forum for consultation and cooperation among States parties, and also notes with appreciation the substantial contribution of the Technical Secretariat and the outgoing Director-General, Rogelio Pfirter, whose mandate expires in July 2010, to the continued development and success of the Organization;

15. *Decides* to include in the provisional agenda of its sixty-fifth session the item entitled “Implementation of the Convention on the Prohibition of the Development, Production, Stockpiling and Use of Chemical Weapons and on Their Destruction”.
