Section I

Part A

1- Add Para 1 of 2000 NPT Final Outcome Document.

1- “The Conference reaffirms that the full and effective implementation of the Treaty and the regime of non-proliferation in all its aspects has a vital role in promoting international peace and security. The Conference reaffirms that every effort should be made to implement the Treaty in all its aspects and to prevent the proliferation of nuclear weapons and other nuclear explosive devices, without hampering the peaceful uses of nuclear energy by States Parties to the Treaty. The Conference remains convinced that universal adherence to the Treaty and full compliance of all Parties with its provisions are the best way to prevent the spread of nuclear weapons and other nuclear explosive devices.”

2- This inclusion would make Paras 5 and 6 of Section I of Part A of the Draft Report CRP 2* redundant.

3- Add Para 5 of NAC Working Paper 8:

5- “To urge the Democratic People’s Republic of Korea to rescind its announced withdrawal from the Treaty, to re-establish cooperation with the International Atomic Energy Agency (IAEA) and to rejoin the Six-Party Talks, with a view to achieving the denuclearization of the Korean Peninsula in a peaceful manner.”

Part B

1- Delete “the vision of” in Para B 4 of CRP 2*

2- Delete Paras 16 and 17 of Section I of Part B of the Draft Report CRP 2*

2. “To call upon all States parties to pursue policies that are fully compatible with the objective of achieving a world free from nuclear weapons.”

6- “To call upon all nuclear-weapon States, in accordance with their commitment to diminish the role of nuclear weapons in their security policies pending their total elimination, to take further steps to reduce their nonstrategic and strategic nuclear arsenals and to declare a moratorium on upgrading, and developing new types of, nuclear weapons, or developing new missions for nuclear weapons.”
10. “To encourage States that are part of regional alliances which include nuclear-weapon States to report as a significant transparency and confidence building measure, on steps taken or future steps planned to reduce and eliminate the role of nuclear weapons in collective security doctrines.”

11. “To urge nuclear-weapon States to refrain from pursuing military doctrines which emphasize the importance of nuclear weapons or which lower the threshold for their use.”

12. “To agree that the nuclear-weapon States take further action towards increasing their transparency and accountability with regard to their nuclear weapons arsenals and their implementation of disarmament measures, and in this context to recall the obligation to report as agreed at the 2000 Review Conference.”

13. “To call for further concrete measures to be taken to decrease the operational readiness of nuclear weapons systems, with a view to ensuring that all nuclear weapons are removed from high alert status.”

Part C

4- Recall what was mentioned in Para 2 Article VII of 2000 Review Conference Outcome Document.

2- “The Conference reaffirms that the total elimination of nuclear weapons is the only absolute guarantee against the use or threat of use of nuclear weapons. The Conference agrees that legally binding security assurances by the five nuclear-weapon States to the non-nuclear-weapon States parties to the Treaty on the Non-Proliferation of Nuclear Weapons (NPT) strengthen the nuclear non-proliferation regime. The Conference calls on the Preparatory Committee to make recommendations to the 2005 Review Conference on this issue.”
