**(f) Financing of the Review Conference, including its Preparatory Committee**

The Committee takes note of the estimated costs of the 2010 Review Conference and its Preparatory Committee (NPT/CONF.2010/PC.II/1). It is understood that the workload statistics of the second session of the Preparatory Committee will determine whether the costs estimates contained in Annex I, or in Annex II, would be used to base requests for advance payment for both the third session of the Preparatory Committee and the 2010 Review Conference. The Committee agrees that assessed and outstanding dues must be paid in proper time.

The Committee, in order to promote greater financial transparency and accountability and taking into the account the practice of multilateral and other organizations, requests the Secretary-General of the United Nations to provide a financial report to the Review Conference and each session of its Preparatory Committee to be circulated as an official document.
